And I'm sure there was no politics involved in writing a story about a fanatical cultist twisting a system of morality into a fascist theocratic police state. What do you say, @RichardGarriott were there any politics involved in your game?

U1: Kill bad guy you heard was responsible for bad stuff while stealing from and killing NPCs yourself. U2: Kill consort of first guy. U3: Kill "offspring" of those two. In all cases your deeds often don't measure up well from a virtue standpoint. Min Max FTW!
